REMARKS

Claims 1-5 remain in this application. Claim 16 has been canceled. Claim 1 has been amended.

Claim 1 has been amended for the following reasons:

a) to overcome the examiners objection by changing "gate portions" to –gate faces-.

b) to overcome the 35 U.S.C.112 rejection.

Reconsideration of this application is requested.

Claim 1 was rejected under 35 U.S.C.112 second paragraph, as being indefinite for failing to particularly pointing out and distinctly claim the subject matter which applicant regards as the invention.

Claim 1 has been amended to overcome the examiners rejection by changing line 3, 4, 5 and 7 to eliminate the combination of the gate.

Accordingly, the rejections under 35 U.S.C. 112 is deemed overcome by applicant's amendment and remarks.

Withdrawal of the rejection is respectfully requested and allowance of the instant application is solicited.

No additional fee is deemed necessary at this time.

Respectfully Submitted,

Albert O. Cota
